WE NEED HOMES!!!

Dogs XL is a new "breed" of dog rescue, committed to the philosophy that there is no such thing as a perfect dog or a perfect home. The right dog is out there for everyone who is willing to open heart and home to a canine companion. Dogs XL relies on foster homes to provide temporary care and housing for our dogs until they can be placed with adoptive families. We have dogs from puppies through seniors, ranging from extra large to not so large. Adoption Events are held every weekend at locations throughout MD and NOVA.
