A Lost Pet's Best Chance

Microchip Enrollment

Through the Chip FurKeeps program, HomeAgain microchip enrollment (which is regularly priced at \$17.99) is only \$10.99. HomeAgain microchip enrollment includes **lifetime microchip registration** as well as a one-year membership in the HomeAgain Pet Recovery Service.

HomeAgain has a proactive network of veterinarians, shelters, and volunteer PetRescuers who are immediately notified through [Lost Pet Alerts](#) to help locate lost pets. Pet parents will be able to maintain optional exclusive HomeAgain member benefits by renewing their annual membership at a cost of \$17.99 per year. **Once registered, microchips remain in the HomeAgain database permanently and may be updated online at no charge anytime by logging into [HomeAgain.com](#), regardless of annual membership status.**

To register your pet's microchip, call 866-802-5650 or follow this link for online enrollment:
